

NITROTEXT.COM, LLC PRIVACY POLICY

The following is NitroText.com, LLC's privacy policy. It describes NitroText.com's policies and procedures on the collection, use and disclosure of your information. NitroText.com receives your information through its websites including NitroText.com, the services it provides and from third parties. When you register for or use our services you consent to the collection, transfer, storage, manipulation and use of your information as described below.

INFORMATION COLLECTED AND USED

When you register to receive text messages you will be asked to provide some information such as your cellular telephone number and, depending on your method of registration, your address, date of birth, email address and similar personal information. NitroText.com may use your registration information to text or otherwise send you information about NitroText.com's services or to market services or products to you. MESSAGE and DATA RATES MAY APPLY. You may unsubscribe from these messages by following the instructions on the NitroText.com web site.

NitroText.com uses "cookie" technology to collect website usage data and to improve its services. A "cookie" is a small data file that is transferred to your computer's hard disk. NitroText.com may use "cookies" to better understand how its customers interact with NitroText.com's services and to monitor aggregate usage of its services.

When you visit the NitroText.com web site, certain non-personal information such as the type of browser, operating system, IP address and domain name may be collected.

SHARING INFORMATION AND DISCLOSURE

NitroText.com utilizes certain third parties to perform functions and to provide services to NitroText.com. NitroText.com may share your personal information with one or more of these third parties. Such sharing of information is only to the extent necessary for the third parties to properly perform their functions and services. NitroText.com's agreements with such third parties will contain obligations by them to safeguard your personal information.

Your information may be disclosed when it is required by law, regulation or legal request. It may be disclosed to protect the life or safety of any person. It may be disclosed to protect NitroText.com's rights and property and to address claims of fraud and security matters.

NitroText.com may share or disclose your non-private, aggregated, demographic or otherwise non-personal information to anyone at any time and for any reason.

NitroText.com may share or disclose your information with your consent. The information provided when you register, such as your cellular telephone number, is information provided with your consent.

In the event NitroText.com merges with or is acquired by another company, the successor company's use and disclosure of your personal information would remain subject to this privacy policy.

SECURING YOUR INFORMATION

NitroText.com has physical, electronic, administrative and contractual safeguards to help in preventing unauthorized access to confidential or personal information.

Notwithstanding its' efforts to keep your information secure, NitroText.com cannot guarantee that only authorized persons will view your information. NitroText.com is not responsible for third party illegality or circumvention of any of NitroText.com's' security measures or protocols.

CHILDREN

NitroText.com's services are not intended for use by children. NitroText.com does not knowingly collect information from children under the age of thirteen. If NitroText.com becomes aware that a child under the age of thirteen has provided personal information or opened an account, NitroText.com will take the necessary steps to delete the information and terminate the account.

CALIFORNIA PRIVACY RIGHTS
